Dear Supporter

A good win against Merthyr Town last Saturday gave us our first three points of the season - let's hope we followed that up with 3 more points away to Leamington Town in midweek.

The Summer 500 Club ticket sales are going well and will continue to be on sale up until 3pm on Monday 31 August at the home game against Kings Lynn. Tickets are £5 each and you can buy as many as you like! They can be bought in the clubhouse before the game. Each ticket bought will be included in 10 weekly draws from the end of August and the prize money is 50% of the takings. All winners will be announced at home games and via our website, facebook page and twitter account. You do not have to be a member of the Trust to buy a ticket or two!

Trust membership forms are available in the clubhouse and inside the ground as well as via our website (www.poppiestrust.co.uk) for our new membership year. Adult membership is £12 per person and U16s can join for free. There is the option for lifetime membership which is £100 and we currently have over a dozen lifetime members. We appreciate all our members and their continuing support which is a great testament to their commitment and belief in the work the Trust does.

Fund-raising is a large part of what the Trust does with membership and 500 Club sales forming a large part of the money we raise. Since the departure of Martin Bellamy from the Trust our fund-raising efforts are being headed up Malc Harris (Trust vice chairman). We are always looking for ideas to raise funds so if you have any ideas, please contact us via the normal routes which include e-mail and facebook or you can take a more direct route and speak to a Trust Board member at a game. Most of us can be found in and around the ground/clubhouse on matchdays. Board members are myself, Malc Harris, Mark Severn, Bob Brown, Gordon Anderson, Bill Pringle, Tim Cullup, Paul Titcombe, Carla Sharpe, Wayne Sharpe, Barry Medlock, Mick Coe and James Mayall. Young James has recently joined as a co-opted Board member and

will be working alongside Tim Cullup to improve our website on an ongoing basis.

Games are coming thick and fast at the moment so a good chance for the team to gel, get some points on the board and bed in for the long season ahead - come on you reds!
